# 1: David Had a Giant Problem

David was a simple shepherd  
who faced a giant Philistine.  
Goliath brought his mighty weapons,  
but David only brought a sling.  
Though it didn't seem like much,  
a single stone was just enough.  
David had a giant problem,  
that's what everybody thought,  
but bigger than his giant problem,  
David had a giant God.  
Oh, David had a giant God.  
Someone should have told Goliath,  
pick on someone his own size.  
'Cause even though he was a giant,  
it made no difference in God's eyes.  
As David watched Goliath fall,  
he wasn't scared, no not at all.  
David had a giant problem,  
that's what everybody thought,  
but bigger than his giant problem,  
David had a giant God.  
Oh, David had a giant God.  
Fee, fi, fo, fum...  
The giant thought he'd win the war.  
4, 3, 2, 1...  
Until he came against the Lord.  
Fee, fi, fo, fum...  
The giant thought he'd win the war.  
4, 3, 2, 1...  
Until he came against the Lord.  
David had a giant problem,  
that's what everybody thought,  
but bigger than his giant problem,  
David had a giant God.  
Oh, David had a giant God.  
Oh, David had a giant God.

# 10: Samson Brought the House Down

Samson was a good man, He was really strong.  
And the Bible tells us his hair was really long.  
Samson had such power,  
the Philistines were scared;  
Til a lady named Delilah  
learned the secret of his hair.  
Then she waited til Samson fell asleep,  
She cut his hair off;  
when he woke up he was weak;  
The soldiers took him to the temple  
and tied up his hands,  
It sounded so simple, but God had a plan.  
And all at once  
the people heard a mighty crashing sound,  
Whoa...Samson brought the house down.  
Here's the lesson the people learned that day:  
When we are weakest  
we know God will be our strength.  
The soldiers took him to the temple  
and tied up his hands,  
It sounded so simple, but God had a plan.  
And all at once  
the people heard a mighty crashing sound,  
Whoa...Samson brought the house down.  
Samson brought the house down.

## 9: Fireproof

There were three men in the Bible,  
names you may not know:  
Shadrach, Meshach, and Abednego.  
They were thrown in the fiery furnace  
'cause they wouldn't bow down.  
There were three men,  
when the king looked in,  
there were four walking around.  
That's who God is, that's what God does.  
Even in the fire, He's right there with us.  
He's our Shelter, our Protector,  
watchin' over me and you.  
Our God is fireproof!  
When they walked out from the furnace  
Everybody knew, this God they served,  
He alone was true!  
They believed He was more than able.  
They were never afraid.  
It was back then what He did for them,  
He can still do it today!  
That's who God is, that's what God does.  
Even in the fire, He's right there with us.  
He's our Shelter, our Protector,  
watchin' over me and you.  
Our God is fireproof!  
He's our Shelter, our Protector,  
watchin' over me and you.  
Our God is fireproof!

## 2: If You Need an Ark I Noah Man

When the Lord looked down from the sky above,  
at the world He created  
with people that He loved;  
things were so bad the only way it could change  
was to wash it away with a big ol' rain;  
So God told Noah what He was gonna do,  
& God kept him safe 'cause his heart was true.  
If you need to build an ark,  
I know, I know, I Noah man;  
I read it in the Bible so,  
I know, I know, I know he can.  
Noah had a faithful heart,  
he put it in God's hands,  
so if you need to build an ark,  
I know, I know, I Noah man.  
When the rain came down and the ark rose up,  
forty days Noah waited,  
'til God said that's enough.  
When the coast was clear,  
Noah knew just what to do,  
he released all the animals two by two;  
Then God put a rainbow  
where everyone could see,  
a promise to them and to you and me.  
If you need to build an ark,  
I know, I know, I Noah man.  
I read it in the Bible so,  
I know, I know, I know he can.  
Noah had a faithful heart,  
he put it in God's hands,  
so if you need to build an ark,  
I know, I know, I Noah man.  
If you need to build an ark,  
I know, I know, I Noah man.  
If you need to build an ark,  
I Noah man.

### 3: Pharaoh Was in D’Nile

Moses went to Pharaoh with a message God had given,  
He said to free His people  
from the land where they were they were livin’;  
But Pharaoh’s heart was stubborn, refusing to obey,  
But Moses wasn’t budging  
from what God told him to say.  
Oh...God knew it all the while.  
Oh...Pharaoh was in D’Nile.  
Moses said that God would send some plagues  
to help him focus,  
God filled the land of Egypt  
with some frogs and flies and locusts,  
but just when he was starting to finally give in,  
Pharaoh’s heart would harden  
and he’d change his mind again.  
Oh...God knew it all the while.  
Oh...Pharaoh was in D’Nile.  
Things kept getting worse  
til Pharaoh reached the point of breakin’,  
He finally said to Moses,  
if you want your people, take ‘em.  
The Red Sea was divided, God set His people free,  
The Father had provided in a way they all could see.  
Oh...God knew it all the while.  
Oh...Pharaoh was in D’Nile.  
Oh...  
They followed where God had led them,  
they reached the land of Canaan.  
God knew it all the while,  
Oh...Pharaoh was in D’Nile.

### 8: Moses Was a Rule Breaker

**God called Moses to meet him on the mountain,  
to give him ten commandments  
He had written in stone.  
When Moses returned to his people he found them  
worshiping gods they had made on their own.  
He was so angry at what was taking place,  
he threw the tablets and he broke ‘em,  
So I guess you could say:  
Moses was a rule breaker.  
That’s what the people saw.  
Even though he broke the rules,  
Moses kept the law.  
He was a man of faith, who worshiped his creator.  
Moses was a good man,  
but Moses was a rule breaker.  
The ten commandments the Israelites obeyed.  
They were the laws God gave to Moses,  
and they’re still good today.  
Moses was a rule breaker.  
That’s what the people saw.  
Even though he broke the rules,  
Moses kept the law.  
He was a man of faith, who worshiped his creator.  
Moses was a good man,  
but Moses was a rule breaker.  
That’s what the people saw.  
Even though he broke the rules,  
Moses kept the law.  
He was a man of faith, who worshiped his creator.  
Moses was a good man, but Moses was a rule  
breaker.**

## 7: We Could Learn a Lot From Lot

Lot was a man with an uncle named Abram.  
They left their home in search of a new land.  
They kept going 'til the Lord said, "STOP!"  
We could learn a lot from Lot.  
Whoa...whoa...whoa. Whoa...whoa...whoa.  
When they returned to the land called Canaan,  
they had so much  
'cause God had blessed them.  
They divided up the land and flocks.  
We could learn a lot from Lot.  
Whoa...whoa...whoa. Whoa...whoa...whoa.  
Lot went to live in a city so evil,  
The angel warned him to leave with his people.  
He could have stayed there, but he did not.  
We could learn a lot from Lot.  
Whoa...whoa...whoa. Whoa...whoa...whoa.  
God sent a fire to destroy the city,  
but Lot was saved  
'cause the Lord showed mercy.  
He learned a lesson that he never forgot.  
We could learn a lot from Lot.  
Whoa...whoa...whoa.

## 4: Daniel Wasn't Lion

Daniel was a man of God,  
who prayed three times a day,  
until one day the king decreed,  
it couldn't be this way.  
So Daniel was arrested, thrown in the lion's den,  
but no one could have guessed it,  
what happened then.  
Just an ordinary night, in the lion's den,  
the lions lost their appetite and never bothered him.  
Daniel never doubted, there was no denying,  
when he said that God would keep him safe,  
Daniel wasn't lion.  
Daniel wasn't shocked at all  
when the morning came.  
The king was so surprised to see  
that Daniel hadn't changed,  
But Daniel knew the reason  
he came out good as new:  
the God that he believed in, was in there too.  
Just an ordinary night, in the lion's den,  
the lions lost their appetite and never bothered him.  
Daniel never doubted, there was no denying;  
When he said that God would keep him safe,  
Daniel wasn't lion.  
When he said that God would keep him safe,  
Daniel wasn't lion.

## 5: Something's Fishy (About Jonah)

When called His servant Jonah,  
he said to go to a place called Nineveh.  
Jonah got scared and he tried to hide,  
Wound up looking at a fish  
from the inside.

Whoa...something's fishy  
don't you know it,

Whoa...something's fishy about Jonah.

Three long days and nights he waited,  
Praying that his God would deliver him.  
Jonah said, "Lord, if You'll set me free,  
I'll go anywhere  
that you wanna send me."

Whoa...something's fishy  
don't you know it,

Whoa....something's fishy about Jonah.

Whoa...something's fishy  
don't you know it,

Whoa...something's fishy about Jonah.

Something's fishy about Jonah.

Something's fishy about Jonah.

## 6: Counting Sheep

There's a story in the Bible of a shepherd,  
who liked it when the sheep were all together.  
He shoulda had a hundred,  
but he counted ninety-nine,  
he knew that one was missin' he would have to find.  
That's what a shepherd does,  
that's how a shepherd loves,  
that's the kind of love that God has for all of us.  
There's no givin' up I know it's true,  
because the Shepherd never gave up on me  
when He was countin' sheep.

Here's the good news of the story of the shepherd:  
He found the sheep that he was searching after.

He knew he couldn't rest  
until they all were safe and sound,

But now there is rejoicing,  
'cause what was lost is found.

That's what a shepherd does,  
that's how a shepherd loves,  
That's the kind of love that God has for all of us.

There's no givin' up I know it's true,  
because the Shepherd never gave up on me  
when He was countin'...

That's what a shepherd does,  
that's how a shepherd loves,  
That's the kind of love that God has for all of us.

There's no givin' up I know it's true,  
because the Shepherd never gave up on me...

I'm glad He never gave up on me...

The Shepherd never gave up on me  
when He was countin' sheep.
