October 13, 2024 | 21st Sunday After Pentecost
9:30 am Contemporary Worship Service

Everything that we have comes as a gift from God, it all belongs to Him. He is the source of everything we have. There is nothing in our life or in our hands that is not a direct blessing from God. That means that we are accountable to God for what we do with the blessings He has provided. Once we realize that God is the source of everything we have and that we are accountable to Him for what He has blessed us with, it will directly affect the way we give to God and others. Giving to back to God is not just about financial support; it is about aligning our hearts with God's purposes, acknowledging His ownership over all things, and responding in worship and humility to the blessings He has filled our lives with. As we reflect on 1 Chronicles 29:10-16, may we be inspired to give generously and joyfully, knowing that everything we have comes from God and that our gifts contribute to His eternal work.
